# The Royal Danish Academy's user guide for students

## Application for incoming exchange students

#### Important note

During the application process you will receive most of our e-mails, including acceptance or rejection notice, from the sender address <u>exchange@kglakademi.dk</u> or in some cases, from personal address from the exchange officer. Please add <u>exchange@kglakademi.dk</u> address to your email providers list of secure or trusted addresses or check your spam filter on a regular basis in case the e-mails end up there.

#### How to log in to the application system

Once you are nominated by your school, you will receive an automated e-mail "Create a Password to The Royal Danish Academy". The e-mail contains a link to register to the application system Mobility Online.

Your registration code is pre filled. Enter your date of birth and click on **Continue**:

## Before the stay – upload application documents

In the next step, "Before the stay", you will upload your application documents, one by one.

- Passport or ID Card
- Curriculum Vitae (CV)
- Transcript of Records
- Motivation Letter
- *Portfolio.* Portfolio must be max 15 MB.

Each time you have uploaded a document you have to click on *Create*.

When you are finished uploading your application documents, click on *Submit confirmation of completion of uploads* (blue box) to confirm that you have uploaded all the required documents.

## Passport/or ID card

The photo of a passport or ID card cannot extend 500 pixel. If your photo is too big, you can downsize/crop it with a crop tool. You have also the option to use a webcam and take a photo of yourself. Once you have upladed the photo a clicked on Create, you might need to use the back step in the browser and then go to **My application data – Application workflow** to refresh the data.

You should only upload the photo of the front page of your passport or ID card.

## Complete/ Incomplete data

- If your application is complete: If you have uploaded all the required documents, you will receive an e-mail "Confirmation of Completeness" when the exchange officer at The Royal Danish Academy has checked your application documents. It may take some time before you receive the e-mail.
- If your application data is incomplete: If your application documents are not complete, you will when the exchange officer at the Royal Danish Academy has checked your application documents, receive a reason for incompleteness that you can see in your application workflow. Additionally, you will receive an e-mail regarding incomplete data "Confirmation of incomplete completion". It may take some time before you receive the e-mail.

If one or more of your documents are **not complete**, you upload the correct one(s) in the workflow by clicking on **My application data** and then on **Application workflow.** You upload a new document by clicking on the blue upload box (for instance Upload Portfolio) and then on **Forward to update**. Then you upload the new file and click on **Update**. When you are finished uploading your new application document(s), click on **Submit confirmation of completion of uploads** (blue box) to confirm that you have uploaded all the required documents. Once your application has been completed by the application deadline, it will then be reviewed by one of our programmes that you have applied for.

### The end of your mobility

Once you have successfully completed your exchange semester at the Royal Danish Academy, you will receive your transcript of records via Mobility Online.

We will send an e-mail with the information when your transcript of records is ready to be downloaded.

Then please use the link <u>https://www.service4mobility.com/europe/LoginServlet</u> to access your Mobility Online account in order to download your official transcript of records.
